The Beverly Arts Center - National Cartoonist Society Exhibit

From September 15, 2019 through November 3, 2019 our artists exhibited their work at the BAC alongside members of the NCS.

Opening night attracted hundreds of spectators to view the work of our talented artist/storytellers.

Here are some photos of the event.

Guest Cartoonist, Caricature Artist Chuck Senties

At our February 1st class, we welcomed guest artist, caricaturist Chuck Senties.

He did a 45 minute presentation including a live drawing of our docent, Linda. It was a great likeness of her. He talked about his career, how he started, his educational background and the financial aspects of being a working artist.

We had a lot of great questions for the students and the parents who attended his talk.

C2E2 - 2020

Some of our students attended this year's comic convention, C2E2 at McCormick Place. The event draws over 100,000 visitors each year. This year I was exhibiting as part of the National Cartoonist Society.

THE VANDERPOEL ART ASSOCIATION was founded in 1913 by friends of John H. Vanderpoel, as a memorial to this celebrated instructor from Chicago's School of the Art Institute.

John H. Vanderpoel developed a reputation as one of America's foremost authorities on figure drawing. His book *The Human Figure*, published in 1907, featured many of his pencil and charcoal drawings, and became a standard textbook for art school students. Many of Vanderpoel's original drawings and paintings are displayed at the association's gallery, located in the Ridge Park field house. The collection also includes more than 600 works of art, of which approximately one third are on display in our gallery on a rotating basis.
